This matter comes before the Public Service Commission of South Carolina (the Commission) on the June 23, 1995 request of MCI Telecommunications Corporation (MCI or the Company) to withdraw Tariff Page No. 22.3 of MCI's SCPSC Tariff No. 1, which increases the per-minute usage charge of the MCI Sure Savings Option referenced in Tariff No. 95-182.

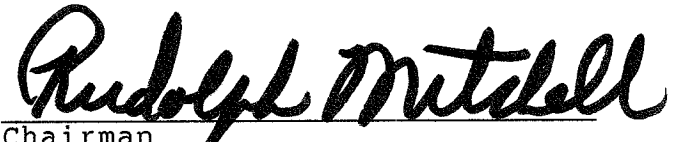

MCI had originally requested an increase in its MCI Sure Savings Option rate from .1250¢ to .1375¢. We had ordered a hearing in this matter. MCI now comes before the Commission asking permission to withdraw the filing and cancel the hearing.

The Commission has examined this matter and believes that the relief requested by MCI should be granted, and the hearing cancelled in this matter.
